

Re: Application Scale A Teacher Fixed Term Position

Thank you for your interest in the advertised fixed term position of Scale A teacher starting in Week 4, Term 2 2023. We have a fixed-term position available, and are looking forward to welcoming a new staff member to our dynamic, collaborative and supportive team.

This is an exciting time at Oranga School, as we have recently moved into new flexible learning spaces. Our Year 1 and 2 space includes two hubs that enable our teachers to work collaboratively together to achieve the best outcomes for our students.

Oranga School is a great place to be because:

- our ākonga are very caring and feel a sense of belonging
- we believe that learning is about the growth of the whole child – culturally, emotionally, academically, socially, and physically
- we celebrate diversity. Students bring a diverse range of perspectives to our classes.
- partnerships between ākonga, whānau, kaiako, and the wider community are highly valued.
- we have a supportive work environment and we strive to look after and care for each other.

I invite you to make a time to visit our school, meet the staff and our ākonga so you can see for yourself what a great place Oranga School is. Feel free to make a time to meet with me by emailing me principal@oranga.school.nz. I also encourage you to explore our website that showcases the essence of our school: <https://www.oranga.school.nz/>
